Education

University of Oviedo – Polytechnic School of Engineering of Gijón — Gijón, Spain
Bilingual B.Sc. in Telecommunication Technologies and Services Engineering – Telematics — *2022 – Expected 2027*

ISCTE – University Institute of Lisbon — Lisbon, Portugal
Erasmus+ Exchange – Telecommunications and Computer Engineering — *2025 – 2026*

ESIGELEC – École d'Ingénieurs — Rouen, France
Erasmus+ Exchange – Software Engineering & Digital Transformation — *2024*

Experience

Telecommunications Engineer – Guidance, Navigation & Control — Sep. 2026 – Present
4Space Uniovi – European Rover Challenge Team — *Asturias, Spain*

Telecommunications Engineer – Software Team — Feb. 2025 – Sep. 2025
4Space Uniovi – European Rover Challenge Team — *Asturias, Spain*

- Developed ROS 2 nodes in Python for wireless interface management, network configuration, connectivity monitoring, and communication failover across MikroTik, Ubiquiti, and TP-Link devices
- Implemented multi-camera video streaming and control using FFmpeg, integrating multiple video feeds into the rover's web-based control interface
- Developed ESP32 firmware and ROS 2 interfaces for a LoRa-based backup communication system, enabling rover–ground station connectivity upon primary WiMAX link failure
- Evaluated WiMAX link performance by processing iPerf measurements in MATLAB, analyzing throughput and communication reliability under experimental conditions
- Contributed to the rover software and communications systems for the European Rover Challenge 2025, where the team ranked 3rd in the qualification round among 100+ international teams

Hospitality & Event Staff — Jul. 2024 – Aug. 2026
Various Event Organizers — *San Sebastián, Spain*

- Worked across large-scale events and festivals in customer-facing and operational roles, adapting to high-volume environments and different teams

Courses & Certifications

Next-Generation Networks: Telecommunications Operator Management — Oct. 2026
Telecable Chair – Orange Spain

CCNA – Enterprise Networking, Security & Automation — Jul. 2026
Cisco Networking Academy

CCNA – Switching, Routing & Wireless Essentials — Oct. 2025
Cisco Networking Academy

CCNA – Introduction to Networks — Apr. 2025
Cisco Networking Academy

UAS Remote Pilot Certificate – Open Category A1/A3 — Sep. 2026
AESA

SpaceCert – Mid RF & Communications Engineer — Sep. 2025
European Space Foundation

Driving Licence — Mar. 2023
Category B

Honors & Awards

Silver Medal – XXXIII Basque Physics Olympiad — 2022
Euskal Herriko Unibertsitatea (EHU) — *Basque Country, Spain*

Technical Skills

Programming & Development: Python, C/C++, Java, C#, MATLAB, JavaScript, SQL, Full-Stack Development
Networking & Systems: TCP/IP, OSPF, BGP, VLANs, WiMAX, Wi-Fi, LoRa, Linux, ROS 2, ESP32
Technologies & Tools: Git, Docker, Wireshark, iPerf, FFmpeg, Jira, Notion, GitHub Projects, Agile/Scrum, AI-assisted Development
Languages: Spanish (Native), Euskera (Native), English (C1)
